

**'The Lord's Favorite Meal'**  
**John 4:31-42**  
**April 26, 2015**

*Timeless principle:* Spiritual nourishment comes from being engaged in the will of God.

Jesus' favorite appetizer was the word of God. (Matt 4:4)

Jesus' favorite meal was the will of God.

Jesus' favorite dessert was the work of God.

*Timeless Principle:* The task of evangelism is urgent.

*Three points:* (v.35)

Point #1: The heart of Jesus is focused on the harvest of souls.

Point #2: The challenge of Jesus is to lift up your eyes.

Point #3: The fields are ready for harvesting.

*Timeless principle:* When we evangelize, the Lord rewards us.

*Timeless Principle:* God rewards both the sower and the reaper.

*Application:* Three pastor challenges:

1. Invite three lost friends to church next week.
2. Go to our church Facebook page and "Like" us and share some of the things you see on our Facebook with your friends.
3. Do something nice for a neighbor or a friend who may not know the Lord and when they ask you why you are doing it, tell them the Lord challenged you.
