Genesis 39:21-40:23
April 23 2017

What do you do in the celestial waiting room?

1. We need to remember God is right there with us. (Genesis 39:21-23)
2. We need to be on the alert for ministry the Lord may send our way.
(Genesis 40:1-4)
3. We need to remain optimistic because the Lord is always up to something.
(Genesis 40:5-8)
4. We need to be certain that God is in control especially when you face an uncertain future. (Genesis 40:9-15)
5. We need to remind ourselves to not get bitter when people forget about us.
(Genesis 40:23)
