

The Ultimate Reunion
Genesis 45,46
June 25, 2017

Jacob's two major crises of belief:

1st crisis: Is Joseph really alive? (Gen 45:25-26)

Two reasons why Jacob had a hard time believing Joseph was alive:

1. Shock
2. Fear

Question: What helped Jacob get through this first crisis?

Answer: The evidence was too convincing. (Gen 45:27-28)

2nd crisis: Does he leave the land God promised to his fathers and move to Egypt? (Gen 46:1)

Three steps to understanding God's will:

Step #1: Ask the Lord what He wants you to do. (Gen 46:1)

Step #2: Wait for His answer. (Gen 46:2-4)

Step #3: Do what He tells you do to. (Gen 46:5-6)
