

Sin is "Sin"
Romans 7:6-13

God's law reveals three things:

1. The Law reveals the reality of sin. (v.7)
2. The Law reveals the power of sin. (v. 8-10)
3. The Law reveals the deceitfulness of sin. (v.11)

Three ways sin deceives (v.11)

1. Sin deceives us by promising what it can never deliver.
2. Sin deceives us by convincing us that what happens to others will never happen to us.
3. Sin deceives us by creating in us a desire for that which we know will only hurt us.

Is the Law sin? NO (Romans 7:12)

Three positives concerning the Law (v.12)

1. Holy
2. Righteous
3. Good

"utterly sinful" – superabundantly sinful

Applications:

1. It's important that we call sin "sin"!
2. We must give people the bad news before they will be interested in the good news.
3. Repent of your sin and receive the Savior, Jesus Christ.
